

Pula, 31.10.2017.

Dear friends, business partners,

It is my pleasure to inform you that Uniline was awarded the most prestigious tourist award in Croatia in the category of *Best destination management company of the year 2017* at the Days of Croatian Tourism that took place last week in Mali Lošinj.

This achievement has symbolically rounded a period of twenty years of Uniline's work and business activity, which is additionally confirmed with this year's best business results in our company history.

Our cooperation contributed significantly to our success.
We greatly appreciate it and will never forget it.
Our achievements commit us to reaching higher goals year after year.

Uniline's further development in the program and organizational view is based on keeping up with market trends as well as nurturing our mutual partner relations, always keeping in mind that the satisfaction of our clients comes first as they are the ones we value the most. What we are planning and achieving, step by step, is our concrete response to the challenges of dynamic times and the changes it carries.

The most exciting part of the time we live in is that, as one famous athlete once said, no matter how good you are, you can always be better.

Thank you for supporting us on our way to success.
I hope and believe we will continue to do so together.

Chairman of the Board
Boris Žgomba
